**CONDOMINIUM DECLARATION  
FOR  
TERRACE CONDOMINIUMS**

**RECITALS**

TERRACE GROUP, LLC, a Colorado limited liability company ("Declarant"), is the owner of certain property situate in the City of Glenwood Springs, County of Garfield, State of Colorado. Declarant desires to establish a Condominium Common Interest Community under the Colorado Common Interest Ownership Act on the Land (as hereinafter defined) submitted to this Declaration from time to time, and to define the character, duration, rights, obligations and limitations of condominium ownership. Declarant has executed plans for the construction of up to twelve (12) Buildings (as hereinafter defined) on the Land to be known as "Terrace CONDOMINIUMS," which Buildings when completed shall consist of separately designated Condominium Units (as hereinafter defined). A Map (as hereinafter defined) shall be recorded in Garfield County, Colorado showing the location of the Buildings on the Land.

**DECLARATION**

Declarant does hereby establish a plan for the ownership of real property estates in fee simple as a Condominium Common Interest Community under the Act (as hereinafter defined), consisting of the Units (as hereinafter defined) in the Buildings and the co-ownership by the owners of the Units, as tenants-in-common, of the Land and the remaining improvements located thereon, sometimes described as the Common Elements (as hereinafter defined). Declarant does hereby publish and declare that the following terms, covenants, conditions, easements, restrictions, uses, reservations, limitations and obligations shall be deemed to run with the Land, shall be a burden and a benefit to Declarant and to its successors and assigns and to any person or persons acquiring or owning an interest in the Land and improvements built thereon, and to their heirs, personal representatives, successors and assigns.

(o) "Interest in General Common Elements" means the undivided percentage interest in the General Common Elements made appurtenant to each Condominium Unit pursuant to the provisions of this Declaration, and which undivided percentage interest for each Condominium Unit is estimated, and subject to adjustment as described in Section 3.1 and Attachment B attached to and made a part of this Declaration.

(p) "Interest in Limited Common Elements" means the undivided percentage interest in the Limited Common Elements to which an Owner has the exclusive or non-exclusive right of use, and which undivided percentage interest shall equal such Owner's relative Sharing Ratio to the Sharing Ratios of all Owners having the right to use the subject Limited Common Elements.

The interior courtyard of any Building shall be a Limited Common Element allocated solely to the Owners of Units within such Building. Each Unit shall have a similarly numbered garage allocated to it for its exclusive use as a Limited Common Element, for which the Owner of the Unit shall be responsible as if it were part of the Unit.

The term "Unit" does not include, however, the undecorated or unfinished surfaces of the perimeter walls, floors or ceilings of a Unit, any utilities running through the Unit which serve more than one Unit, or any other Common Element or part thereof located within the Unit.

## ARTICLE 2 GRANT AND SUBMISSION

Declarant hereby grants, conveys and submits to condominium common interest ownership all its right, title and interest in the Premises.

**ARTICLE 3**  
**DIVISION OF REAL PROPERTY INTO ESTATES; USE**  
**AND OCCUPANCY OF CONDOMINIUM UNITS**

3.1 Division Into Estates. (a) The Land will initially be divided into twenty-four (24) Condominium Units. It is intended that the Premises will ultimately be divided into not more than one hundred (100) Condominium Units. Each Condominium Unit will consist of a Unit, an undivided interest in the General Common Elements appurtenant to such Unit and the exclusive or non-exclusive right to use and enjoy certain Limited Common Elements appurtenant to such Unit as shown on the Map. The number and identification of additional Units to be located on the Land shall be set forth in supplemental documents to be filed from time to time.

(b) The Units on the Land will initially have appurtenant undivided interests in the General Common Elements as set forth in Attachment B hereto. Those percentage undivided interests have been calculated by dividing the number of square feet in a particular Unit by the number of square feet in all Units within the Project. If additional Units are added to the Project by supplemental declaration, the undivided interest of each Unit in the Common Elements shall be appropriately adjusted, on the same basis as above described, to the figures set forth in the applicable supplemental declaration.

3.2 Inseparability of a Condominium Unit/Partition. (a) Each Condominium Unit shall be inseparable from its appurtenant interest in the Common Elements (as it may be adjusted from time to time upon addition of Units) and, except as provided in Section 3.7 below, each Condominium Unit may be conveyed, leased, devised or encumbered only as a Condominium Unit.

(b) Co-Owners of a Condominium Unit shall have the right to bring a partition action pursuant to Section 38-28-101 et seq. of Colorado Revised Statutes, 1973, as amended requesting the sale of the Condominium Unit and the division of the proceeds among the co-Owners; however, no physical division of the Unit shall be permitted as part of a partition action, and no partition action shall affect any other Condominium Unit of the Common Elements.

3.3 Title to a Condominium Unit. Title to a Condominium Unit may be held individually or in any form of concurrent ownership recognized in Colorado except timeshare co-ownership, which form of concurrent ownership, however created, is hereby expressly prohibited. In case of any permitted concurrent ownership, each co-Owner shall be jointly and severally liable for performance and observance of all the duties and responsibilities of an Owner with respect to the Condominium Unit in which such co-owner owns an interest.

3.4 Notice to Assessor. On or before the first sale of a Condominium Unit, Declarant shall give written notice to the assessor of the County in the manner provided in the Act, so that each Condominium Unit will be separately assessed and taxed.

3.5 Limited Use and Right to Lease. The Condominium Units shall be used and occupied solely for dwelling or lodging purposes, including parking of vehicles and storage in garages and other uses customarily incident thereto, and shall not be used at any time for business, commercial or professional purposes; provided, however, that an Owner may use his Unit for a professional or home occupation, so long as the applicable zoning for the Project permits such use, there is not external evidence thereof, and no unreasonable inconvenience to other Owners is created thereby. This restriction on use shall be subject to reasonable interpretation by the Board from time to time in rules and decisions promulgated by the Board or its authorized agent pursuant to Sections 8.1 and 8.2 hereof. Owners may rent or lease their Condominium Units to others for these purposes.

3.6 Fees for Recreational Facilities. The Association shall have the right to charge reasonable admission and other fees for the use of any recreational facility situate upon or which is a part of the General Common Elements.

3.7 Right to Combine Units. An Owner may physically combine the area and space of one Unit with the area or space of one or more adjoining Units owned by such Owner subject to the review and written approval of the Board of Directors. In the event of any such physical combining of Units to create a combined Unit, such combined Units shall also include the combining of the fixtures and improvements and of the undivided interests in the Common Elements appurtenant to such Units. The Board of Directors reserves the right to designate and convey to such Owner of such combined Units additional Limited Common Elements appurtenant to such Unit, any walls, floors or other structural separation for the combination of such Units; provided however, that such walls, floors or other structural separations for such space shall automatically become Common Elements if the combined Units become subject to separate ownership in the future. The Board of Directors shall have authority to grant easements through the Common Elements to accomplish the combining of the Units. The Sharing Ratio of the Owner of combined Units shall equal the sum of the Sharing Ratios allocated to Owners of those Units prior to combination; and the Owner of the combined Units shall have all voting rights allocated by the Bylaws to Owners of those Units prior to combination.

#### ARTICLE 4 DESCRIPTION OF A CONDOMINIUM UNIT

4.1 Prior to Recordation. Every contract of sale, deed, lease, deed of trust, mortgage, will or other instrument affecting a Condominium Unit, written prior to the filing of this Declaration or the Map for record, shall legally describe the Condominium Unit by its identifying Unit number, followed by the name of the Project and reference to this Declaration and the Map to be filed for record.

4.2 Subsequent to Recordation. Subsequent to the filing of this Declaration and the Map, every contract for sale, deed, lease, deed of trust, mortgage, will or other instrument affecting a Condominium Unit shall legally describe the Condominium Unit as follows:

"Condominium Unit No. \_\_\_\_\_, Terrace Condominiums, according to the Condominium Declaration for Terrace Condominiums, recorded on \_\_\_\_\_, 2001 in Film \_\_\_\_\_ as Reception No. \_\_\_\_\_ (or Book \_\_\_\_\_ at Page \_\_\_\_\_) of the records of Garfield County, Colorado and the Condominium Map for a portion of Terrace Condominiums recorded on \_\_\_\_\_, 200\_ in Film \_\_\_\_\_, as Reception No. \_\_\_\_\_ (or Book \_\_\_\_\_ at Page \_\_\_\_\_) of the records of Garfield County, Colorado, as amended from time to time."

4.3 Sufficiency of Description. Every description made pursuant to this Article 4 shall be good and sufficient for all purposes to sell, convey, transfer, encumber, lease or otherwise affect not only the Unit, but also the interest in the Common Elements appurtenant thereto. Each such description shall be construed to include a non-exclusive right of ingress and egress through and for use of the General Common Elements, the exclusive or nonexclusive right to use appurtenant Limited Common Elements, including the allocated garage, and the other easements, obligations, limitations, rights, encumbrances, covenants, conditions and restrictions created in this Declaration. The interest in the Common Elements appurtenant to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may only refer to the title of that Unit. The reference to the Map and Declaration in any instrument shall be deemed to include any supplements or amendments thereto without specific reference.

## ARTICLE 5 CONDOMINIUM MAP

Upon substantial completion of the first Building or Buildings, and prior to any conveyance by Declarant of a Condominium Unit therein, Declarant shall cause to be filed for record in the County the Map, appropriately certified, with respect to the Land, which shall be deemed a part of this Declaration and shall contain all the information required by Section 38-33.3-209 of the Act, including without limitation: (a) the legal description of the surface of the Land; (b) the linear measurements and location, with reference to the exterior boundaries, of the Land, of the Buildings and of all other improvements built or to be built on the Land; (c) the floor plans and linear dimensions of the interior of the Buildings including the Units, the General Common Elements, except those that are located within any Unit, and the Limited Common Elements; (d) the designation by number or other symbol of each Unit; (e) the elevation plans of the Buildings; and (f) the elevation of the unfinished interior surfaces of the floors and ceilings of the Buildings, including the Units, as established from a datum plane, the distances between floors and ceilings and the linear measurements showing the thickness of the perimeter walls of the Buildings. The Map may initially be filed for record simultaneously herewith. The Map shall be amended from time to time to reflect the completion of additional Buildings and the creation of additional Condominium Units as permitted hereby. Declarant reserves the right to amend the Map and any supplements thereto from time to time to conform it to the actual location of each of the Buildings, including all parts thereof, and to establish, vacate and relocate easements.

## ARTICLE 6 COMMON ELEMENTS; ENCROACHMENTS

6.1 Partition. The General Common Elements shall be owned in common by all the Owners and the Limited Common Elements shall be owned in common by the Owners of the Units to which they are appurtenant, and both of these forms of Common Elements shall remain undivided, subject however to adjustments as elsewhere herein provided. No Owner shall assert any right of partition with respect to the Common Elements. As provided in the Act, the Common Elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an individual interest in the Common Elements made without the Unit to which that interest is allocated is void. Nothing herein shall preclude conveyance or encumbrance of Common Elements by the Association as provided in Section 38-33.3-312 of the Act, or limit or restrict the right of partition by sale of co-Owners of a single Condominium Unit as set forth in Section 3.2(b).

6.2 Use of Common Elements. Each Owner, without hindering, impeding or imposing upon the rights of the other Owners, shall be entitled to use the Common Elements appurtenant to such Owner's Unit in accordance with the purpose for which they are intended and in accordance with rules and regulations duly established from time to time by the Association.

6.3 Easements for Encroachments. If any portion of the Common Elements encroaches upon any Unit, or if any Unit encroaches upon any other Unit or upon any portion of the Common Elements, as a result of the construction of any Building, or if any such encroachment shall occur hereafter as a result of settling or shifting of any Building, a valid easement shall exist for the encroachment and for the maintenance of the same so long as such Building stands. In the event any Building, any Unit, any adjoining Unit, or any adjoining Common Element, shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, encroachments of parts of the Common Elements upon any Unit or of any Unit upon any other Unit or upon any portion of the Common Elements, due to such rebuilding, shall be permitted, and valid easements for such encroachments and the maintenance thereof shall exist so long as such Building shall stand. Such encroachments and easements shall not be considered or determined to be encumbrances either on the Common Elements or upon title to the Condominium Units so as to impair merchantability of title.

## ARTICLE 7 MECHANIC'S LIENS AND INDEMNIFICATION

Subsequent to the completion of a Building, no labor performed or materials furnished and incorporated into a Unit with the consent or at the request of an Owner, or his agent, contractor or subcontractor, shall be the basis for the filing of a mechanic's lien or any other lien or encumbrance against either the Common Elements (other than the interest therein appurtenant to such Owner's Unit) or the Condominium Unit of any other Owner not expressly consenting to or requesting the work or materials. Each Owner shall cancel and discharge of record, or bond by

a surety company acceptable to the Association or other Owner or Owners, any claim or lien against the Common Elements (other than the interest therein appurtenant to such Owner's Unit) or Condominium Unit of any other Owner for construction performed or for labor, materials, services or other products incorporated in the Owner's Unit at such Owner's request; and further shall indemnify and hold harmless each of the other Owners and the Association from and against all costs, expenses, claims, losses or damages, including reasonable attorneys' fees, resulting therefrom.

## ARTICLE 8 ADMINISTRATION AND MANAGEMENT; THE ASSOCIATION; PERIOD OF DECLARANT CONTROL

8.1 Management By Association. The Project shall be administered and managed by the Association pursuant to the Act, this Declaration and the Articles and Bylaws. Each Owner shall automatically be a member of the Association, shall remain a member until he ceases to be an Owner and shall have voting rights as set forth in the Bylaws. Each member shall comply strictly with the provisions of this Declaration and of the Articles and Bylaws. Each Member shall be bound by and shall comply with rules, resolutions and decisions of the Association duly made or adopted from time to time in the manner set forth in the Articles or Bylaws. Failure of the member to comply with such provisions, rules, resolutions or decisions shall be grounds for an action to recover damages or to obtain injunctive relief, or both, maintainable by the Association on behalf of the other members or, in a proper case, by an aggrieved member. In addition, the Bylaws may authorize the Association, during the period of any delinquency, to take actions to enforce this Section, including but not limited to: (a) revocation of a delinquent member's right to use General Common Elements designed for recreational purposes, (b) causing suspension of utility service to a delinquent member's Condominium Unit, (c) suspension of a delinquent member's voting privileges, and (d) assessment of fines deemed appropriate by the Board of Directors, which fines shall be deemed special assessments against a delinquent member subject to the provisions of Article 10; however, no such enforcement actions shall affect the rights of a First Lienor, whose Mortgage was perfected prior to the occurrence of the subject delinquency.

8.2 Delegation of Management to Managing Agent. The Association, through a determination of its Board of Directors, may delegate to a real estate managing firm the powers of the Association to determine the budget for operation of the Project, to establish and collect fees for Common Expenses, to establish and collect reserve funds, to make special assessments, to establish books of account and maintain records for the operation of the Project, to supply statements of account to Owners or their Mortgagees upon request, to establish and from time to time amend such reasonable rules and regulations as may be necessary or convenient to carry out the intention of this Declaration, and to do any other acts or things that the Association is empowered to do under this Declaration or its Articles and Bylaws, subject to the terms of the Act; provided, however, that the determination of the Board of Directors to delegate the duties of the Association to such a managing agent shall not relieve the Association of any of its obligations under this Declaration or under the Articles and Bylaws. Such managing agent may be an affiliate of Declarant.

8.3 Declarant Control of the Association. Subject to Paragraph 8.4 hereof, there shall be a "Period of Declarant Control" during which Declarant may appoint and remove the officers and members of the Board of Directors. The Period of Declarant Control commences upon the date of initial recording of the Map and terminates no later than the earlier of:

(a) Sixty (60) days after conveyance of seventy-five percent (75 %) of all Units that may be created to Owners other than the Declarant; or

(b) Two (2) years after the last conveyance of a Unit by the Declarant in the ordinary course of business to Owners other than Declarant; or

(c) Two (2) years after any right to add new Units was last exercised; or

(d) Five (5) years after the date of initial recording of the Map.

Declarant may voluntarily surrender the right to appoint and remove officers and members of the Board of Directors before termination of the Period of Declarant Control. In that event, the Declarant may require, for the duration of the Period of Declarant Control, that specified actions of the Board of Directors, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

8.4 Election by Owners. (a) Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the Units that may be created to Owners other than Declarant, at least one member and not less than twenty-five percent (25%) of the members of the Board of Directors shall be elected by Owners other than the Declarant.

(b) Not later than sixty (60) days after conveyance of a total of fifty percent (50%) of the Units that may be created to Owners other than Declarant, not less than thirty-three and one third percent (33 & 1/3 %) of the members of the Board of Directors must be elected by Owners other than the Declarant.

(c) Not later than the termination of the Period of Declarant Control, the Owners shall elect a Board of Directors of at least three (3) members, at least a majority of whom shall be Owners other than Declarant. The Board of Directors shall elect the officers of the Association. The Owners' Board of Directors shall take office upon termination of the Period of Declarant Control upon election.

8.5 Delivery of Documents by Declarant. Within sixty (60) days after the Owners other than the Declarant elect a majority of the members of the Board of Directors, the Declarant shall deliver to the Board of Directors, without any charge to the Association, all property of the Owners and of the Association held by or controlled by the Declarant, including, without limitation, the following items:

(a) The original or a certified copy of the recorded Declaration, as amended, the Articles, together with a Certificate of Good Standing, Bylaws, minute books, other books and records, and any Rules and Regulations which may have been promulgated;

(b) An accounting for Association funds and financial statements from the date the Association received funds and ending on the date the Period of Declarant Control ends in accordance with §38-33.3-303(9)(b) of the Act;

(c) The Association funds or control thereof;

(d) All of the tangible personal property that has been represented by the Declarant to be the property of the Association and has been used exclusively in the operation and enjoyment of the Common Elements, a copy of any plans and specifications used in the construction of improvements in the Project, and inventories of these properties;

(e) All insurance policies then in force in which the Owners, the Association, or its directors and officers are named as insured persons;

(f) Any other permits issued by governmental bodies applicable to the Condominium Community and which are currently in force or which were issued within one (1) year prior to the date on which Owners other than the Declarant took control of the Association;

(g) Written warranties of the contractor, subcontractors, suppliers and manufacturers that are still effective;

(h) A roster of Owners and First Lienors and other persons entitled to notice pursuant to Section 23.1 hereof and their addresses and telephone numbers, if known, as shown on the Declarant's records;

(i) Employment contracts in which the Association is a contracting party; and

(j) Any service contract in which the Association is a contracting party or in which the Association of the Owners have any obligation to pay a fee to the persons performing the services.

## ARTICLE 9 MAINTENANCE AND REPAIRS; RIGHT OF ACCESS

9.1 Units. Each Owner shall be responsible for maintenance and repair of his Unit and all Limited Common Elements serving only such Unit, including garage, fixtures and improvements and all utility lines and equipment located therein and serving such Unit only. In performing such maintenance or repair, or in improving or altering a Unit or garage, an Owner shall obtain all necessary permits and licenses, and shall comply with all applicable laws, rules and regulations, including the rules and regulations of the Association. Notwithstanding the foregoing,

no Owner shall do any maintenance, repair or improvement work that impairs the structural soundness of the Building in which such Owner's Unit is located or that interferes with any easement.

9.2 Common Elements. (a) Except as provided in Section 9.1, the Common Elements (including both Limited and General Common Elements, and specifically including all landscaping as installed, recreational equipment, traffic control devices and signage which are or become Common Elements) shall be administered, conserved, managed, maintained, repaired and replaced by the Association according to its procedures established from time to time. Such maintenance and repair shall include, but not be limited to, maintenance of landscaping to substantially the same standards as installed, and maintenance, resurfacing, repair and plowing of internal roadways and parking areas, and maintenance and repair of rockfall mitigation wall and connected drainage. Further, the Association shall on a yearly basis have the rockfall mitigation wall and connected drainage inspected by a licensed engineer and submit a report to the City certifying the wall and drainage are in good condition or cause necessary repairs and maintenance to be done. The cost of such maintenance and repair of the General Common Elements shall be a General Common Expense of all Owners. The cost of such maintenance and repair of Limited Common Elements shall be a Limited Common Expense and shall be charged to each Owner having an Interest in Limited Common Elements, which charge shall equal such costs multiplied by the percent of his Interest in Limited Common Elements. No Owner shall have the right to make or cause to be made any additions, alterations or repairs to the Common Elements except Limited Common Elements allocated solely to such Owner's Unit.

(b) To perform the maintenance and repairs, the Association shall have the right of access to any Unit from time to time during reasonable hours, or at any time for the purpose of making emergency repairs therein necessary to prevent damage to the Common Elements or to another Unit or Units. The costs of repairing any damage to a Unit resulting from entry therein for the purpose of repairing or maintaining the General Common Elements or preventing damage to the General Common Elements or another Unit, shall be a General Common Expense of all the Owners. The costs of repairing any damage to a Unit resulting from entry therein for the purpose of repairing or maintaining the Limited Common Elements or preventing damage to the Limited Common Elements shall be a Limited Common Expense charged proportionately to each Owner having an interest in such Limited Common Elements.

9.3 Owner Caused Damage. Notwithstanding the foregoing, if damage to the Common Elements or to any Unit is caused by the negligence or intentional act of an Owner, or if entry into a Unit is required because of any Owner's negligence or intentional act, such Owner shall pay, or reimburse the Association, for all costs of repairing such damage and shall be liable to the Association and the other Owners for all additional losses or expenses suffered as a result of his negligence or intentional acts, including without limitation reasonable attorneys' fees.

9.4 Declarant's Right to Maintain. If, in the sole judgment of Declarant, the Association has failed to maintain the General Common Elements in good order and repair, Declarant may, after five days' notice to the Association, perform all work necessary to maintain the General Common Elements in good order and repair and Declarant shall have access to any Unit for such purposes. The Association shall reimburse Declarant for the cost of such work, which shall be a General Common Expense of all Owners payable as set forth herein. Declarant's right to maintain contained in this Section 9.4 shall terminate when Declarant no longer holds any interest in any Condominium Unit in the Project.

**ARTICLE 10**  
**ASSESSMENTS, COLLECTION AND LIENS**

10.1 Assessments for Common Expenses. Except as set forth in Section 9.3, each Owner shall pay his pro rata share of the General Common Expenses and the Limited Common Expenses. Such proration shall be made on the basis of each Owner's respective Interest in General Common Elements or Interest in Limited Common Elements, as applicable.

10.2 Collection. The Bylaws shall empower the Board of Directors to fix, determine, levy and collect from the Owners periodic and special assessments to meet the General Common Expenses and the Limited Common Expenses, and to create a contingency reserve therefor. The Bylaws shall also establish the procedures by which the assessments shall be made known to and paid by the Owners. An action may be brought by the Association to recover unpaid assessments, together with interest thereon at a default rate fixed by the Board from time to time, from the Owner liable for payment thereof, with or without foreclosing or waiving the lien described in Section 10.3 below. The Declarant and, by acceptance of a deed to a Condominium Unit, each Owner personally covenant and agree to pay their allocable shares of assessments made by the Association from time to time pursuant to this Declaration.

10.3 Liens for Non-Payment. All sums assessed but unpaid for an Owner's share of the General or Limited Common Expenses shall constitute a lien on such Owner's Condominium Unit in favor of the Association as provided in Section 38-33.3-316 of the Act. All liens for non-payment of assessments shall be superior to all other liens and encumbrances, except as provided in such Section of the Act.

10.4 Foreclosure of Liens. The Association's lien shall attach from the date when the unpaid assessment shall become due and may be foreclosed by the Association in like manner as a mortgage on real property upon the recording of a notice or claim thereof executed by the Association setting forth the amount of the unpaid indebtedness, the name of the Owner and a description of the Condominium Unit. In any lien foreclosure action, the Owner shall be required to pay the costs and expenses of the proceeding, including without limitation reasonable attorneys' fees. During the period of foreclosure the Owner of the Condominium Unit subject to the action shall be required to pay a reasonable rental to the Association. The Association shall be entitled to purchase the Condominium Unit at the foreclosure sale or by deed in lieu of foreclosure, and to acquire, hold, lease, mortgage or convey the same.

10.5 No Waiver or Abandonment; No Offset. No Owner shall exempt himself from liability for payment of such Owner's share of the General or Limited Common Expenses either by waiver of the use or enjoyment of any of the Common Elements or by abandonment of such Owner's Condominium Unit. All assessments shall be payable in the amounts specified in the levy thereof, and no offsets or reduction thereof shall be permitted for any reason, including, without limitation, any claim that the Association or the Board of Directors is not properly exercising its duties and powers under this Declaration (except that the Declarant is exempt from the requirements of this sentence).

10.6 Transfer of a Condominium Unit. Except as provided in the next sentence below, in the event of a sale or other transfer of a Condominium Unit with respect to which sums assessed shall be unpaid, the purchaser or other transferee of an interest in the Condominium Unit shall be jointly and severally liable with the seller or transferor thereof for the unpaid assessments. In the event of a transfer in connection with foreclosure, or conveyance by deed in lieu thereof, of a Mortgage, the lien of which is superior to the assessment lien herein described, the transfer shall be made free and clear of any lien for such unpaid assessments, except to the extent provided in Section 38-33.3-316 of the Act, but such transfer shall not relieve the prior Owner of personal liability for any unpaid assessments or the purchaser from any liability for subsequent assessments.

10.7 Request for Assessment Statement. Upon written request of any Owner, Mortgagee, prospective Mortgagee, purchaser or other prospective transferee of a Condominium Unit, the Association shall issue a written statement setting forth the amount of all unpaid assessments, if any, with respect to such Condominium Unit, the amount of the current periodic assessment for General Common Expenses and any current assessment for Limited Common Expenses, the date on which such assessments became or shall become due and the amount of any credit for prepaid expenses. This statement, for which a reasonable fee may be charged, shall be binding upon the Association in favor of any person who may rely thereon in good faith. Unless an assessment statement shall be prepared within 10 days after the Association receives a written request therefor by any party entitled to make such a request other than an Owner, all unpaid assessments that became due prior to the date of the Association's receipt of the request shall be subordinated to the lien or other interest of the person requesting the statement.

10.8 Lienor's Right to Pay Assessments. Any party in favor of whom a lien on a Condominium Unit has been created may, but shall not be required to, pay in full any unpaid assessments with respect to the Condominium Unit, and upon payment the party shall have a lien on the Condominium Unit for the amount so paid of the same rank as the assessment lien theretofore existing.

## ARTICLE 11 INSURANCE

11.1 Coverage. On behalf of the Owners, the Association shall obtain and maintain at all times the insurance required by Section 38-33.3-313 of the Act, which shall include, without limitation, to the extent reasonably available, the following insurance coverage:

(a) insurance coverage on each of the Buildings (including the Common Elements and all of the Units and all fixtures therein, but not including furniture, furnishings or other personal property supplied or installed by the Owners) against loss or damage by fire, with extended coverage (including without limitation insurance against loss or damage by vandalism or malicious mischief) in approximately the amount, less applicable deductibles, of the maximum insurable value of each of the Buildings as determined pursuant to Section 11.3 below; together with the following endorsements if they are commonly required by prudent institutional mortgage investors: Guaranteed Replacement Cost Endorsement, Agreed Amount Endorsement, Inflation

Guard Endorsement, Construction Code Endorsement, Demolition Cost Endorsement, Contingent Liability From Operation of Building Laws Endorsement, and an Increased Cost of Construction Endorsement;

(b) general public liability and property damage insurance coverage against claims for bodily injury or death or property damage occurring upon or in the Common Elements, in limits of not less than \$500,00 in respect of bodily injury or death to any one person and not less than \$1,000,000 for bodily injury or death to any number of persons arising out of one accident or disaster, and in limits of not less than \$100,000 for damage to property, and if higher limits shall at any time be determined by the Board as necessary to protect against possible tort liability, such higher limits shall be carried;

(c) fidelity bond insurance for any Owner or Association employee who either handles money or is responsible for funds held or administered by the Association; and

(d) insurance coverage in such amounts as the Association may consider necessary or advisable against such other insurable hazards related to condominium projects.

11.2 Named Insured and Required Provisions. All insurance required to be carried under this Article 11 (excluding property insurance on furnishings and personalty under Section 11.4) shall be carried in favor of the Association, the Board, any managing agent, the agents, employees and officers of the Association and any managing agent, the Owners and all First Lienors, as their respective interests may appear. Each policy of insurance shall contain a standard mortgagee clause in favor of each First Lienor of a Condominium Unit that shall provide that the loss, if any, thereunder shall be payable to such First Lienor, as its interest may appear, subject, however, to the loss payment provisions in favor of the Association hereinafter set forth. All policies of insurance against damage to the Buildings shall provide that losses shall be payable to and adjusted with the Association, as attorney-in-fact for the Owners. The Association shall hold and apply the proceeds of such insurance as set forth in this Declaration. Each insurance policy shall provide that no cancellation thereof may be made by the insurance carrier without having first given 30 days' prior written notice thereof to the Association, the Owners and all First Lienors. Each insurance policy shall also provide that in case of violation of any provision thereof by one or more (but less than all) of the Owners, the coverage of such policy shall be suspended or invalidated only as to the interest of the Owner or Owners committing the violation and not as to the interest of any other insured party. All policies of physical damage insurance shall contain waivers of subrogation and of any defense based on co-insurance. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all First Lienors making written request therefor, at least 10 days prior to expiration of the then current policies.

11.3 Insurable Value. The maximum insurable value of each Building shall be the full replacement cost of the Building, exclusive of land, excavations, foundations and other items normally excluded from property policies, without deduction for depreciation (which shall indicate the maximum insurable value of each Condominium Unit contained therein). The maximum insurable value of each Building shall be determined by the Association prior to obtaining any

policy of fire insurance or any renewal thereof by means of one or more written appraisals made by competent, disinterested appraisers; however, appraisals need not be obtained more frequently than at three-year intervals. Copies of such appraisals shall be furnished to each Owner and each First Lienor requesting the same in writing.

11.4 Owner's Insurance. Each Owner shall obtain and maintain at his expense insurance coverage for the furnishings or other items of personal property in such Owner's Unit or garage and for liability for injury, death or damage that may occur inside such Owner's Unit or garage. Any such policy shall contain waivers of subrogation and shall be so written that the liability of the carriers issuing insurance obtained by the Association shall not be affected or diminished thereby.

## ARTICLE 12 APPOINTMENT OF ATTORNEY-IN-FACT

Each Owner by his acceptance of the deed or other conveyance vesting in him an interest in a Condominium Unit does irrevocably constitute and appoint (a) the Association with full power of substitution as his true and lawful attorney in his name, place and stead to deal with such interest upon damage to or destruction, obsolescence or condemnation of all or any part of the Premises as hereinafter provided, and (b) Declarant with full power of substitution as his true and lawful attorney in his name, place and stead to deal with such interest in order to effectuate the reservations contained in Articles 5 and 22, each with full power, right and authorization to execute, acknowledge and deliver any contract, deed, proof of loss, release or other instrument affecting the interest of such Owner, and to take any other action, that the Association or Declarant may consider necessary or advisable to give effect to the provisions of this Declaration. If requested to do so by the Association or Declarant, each Owner shall execute and deliver a written instrument confirming such appointment. The action of the Association in settling any damage or condemnation claim shall be final and binding on all Owners. No Owner shall have any rights against the Association or any of its officers or directors with respect thereto except in the case of fraud, willful misconduct or gross negligence.

## ARTICLE 13 DAMAGE OR DESTRUCTION

13.1 Proceeds Sufficient to Repair. If any Building or any part thereof is damaged or destroyed by any cause whatever and, in the reasonable judgment of the Association, the proceeds of insurance are sufficient to pay all the costs of repairing and restoring the Building, the Association (as attorney-in-fact for the Owners) shall cause the Building to be repaired and restored, applying the proceeds of insurance for that purpose.

13.2 Insufficient Proceeds - Non-Material Damage. If any Building or any part thereof is damaged or destroyed by any cause whatever and, in the reasonable judgment of the Association, the anticipated proceeds of insurance are not sufficient to pay the costs of repairing

and restoring the Building, and if the excess of such costs over the anticipated insurance proceeds are less than 10% of the maximum insurable value last determined under Section 11.3, then the Association (as attorney-in-fact for the Owners) shall promptly cause the Building to be repaired and restored, and the difference between the insurance proceeds and the costs of repair and restoration shall be an expense of the Owners of Units in such Building, and shall be assessed and paid by such Owners in accordance with their relative Sharing Ratios.

**13.3 Insufficient Proceeds - Material Damage.** (a) If any Building or any part thereof is damaged or destroyed by any cause whatever and, in the reasonable judgment of the Association, the anticipated proceeds of insurance are not sufficient to pay the costs of repairing and restoring the Building, and if the excess of such costs are 10% or more of the maximum insurable value last determined under Section 11.3, then (unless within 100 days after the date of such damage or destruction a plan for repairing and restoring the Building shall be approved by the Owners of Units in such Building owning 80% or more of the total Interests in General Common Elements appurtenant to Units in such Building and by all First Lienors of such Units) the Association (as attorney-in-fact for the Owners of Units in such Building) shall execute and record in the County real estate records a notice of such facts, and thereafter shall sell that portion of the Land on which such Building is located (including the Building and all other improvements located thereon) free and clear of the provisions of this Declaration and the Map, which shall wholly terminate and expire with respect to such portion of the Premises upon the closing of such sale. If necessary, as shall be determined by the Association, such sale shall include a grant from the Association or reservation to the Association, as appropriate, of reasonable easements for ingress, egress and utilities. This Declaration and the Map, however, shall remain in full force and effect with respect to the balance of the Land and all other Buildings and improvements, and the percentage interests in General Common Elements appurtenant to all Units remaining subject to this Declaration shall automatically be increased by the amount of the Interests in General Common Elements appurtenant to all Units in the Building sold free and clear of this Declaration, such increase to be allocated proportionately among the remaining Units in accordance with their relative Interests in General Common Elements. Any sale of any portion of the Land (and any Building or Buildings thereon) shall only be made after compliance with all applicable subdivision and other laws and regulations applicable to such sale, which compliance shall be at the sole cost of the Owners of Units in the Building or Buildings located on such Land being sold.

(b) The proceeds of insurance and the proceeds of such sale of a portion of the Land shall be collected by the Association, applied first to the payment of the costs and expenses of the sale, and then divided among the Owners of Units in such Building according to such Owners' relative Sharing Ratios and paid into separate accounts, each representing one Condominium Unit. The funds in each account (without contribution from one account to another) shall be applied by the Association for the following purposes in the order indicated: (i) for payment of the balance of the lien of any first Mortgage on the Condominium Unit; (ii) for payment of taxes and special assessment liens in favor of any assessing entity; (iii) for payment of unpaid General or Limited Common Expenses; (iv) for payment of junior liens and encumbrances in the order of and to the extent of their priority and (v) the balance remaining, if any, shall be paid to the Owner. The provisions of this paragraph shall not be construed as limiting in any way the right of a First Lienor (in case the proceeds allocated under clause (i)

above shall be insufficient to pay the indebtedness secured by such First Lienor's lien) to assert and enforce any personal liability for such deficiency of the person or persons responsible for payment of such indebtedness.

(c) If within 100 days after the date of such damage or destruction to plan for repairing and restoring the damaged or destroyed Building shall be approved by the Owners of 80% or more of the total Interests in General Common Elements appurtenant to Units in such Building and by all First Lienors of such Units, the Association (as attorney-in-fact for such Owners) shall promptly cause such repairs and restoration to be made according to such plan. All Owners of Units in such Building (and no others) shall be bound by the terms of such plan, and the difference, if any, between the amount of the insurance proceeds and the costs of repair and restoration shall be an expense of such Owners only and shall be assessed and paid by such Owners in accordance with their relative Sharing Ratios.

13.4 No Liability on First Lienors. Nothing contained in this Article 13 shall be construed as imposing any liability whatever on any First Lienor to pay all or any part of the costs of repair or restoration.

## ARTICLE 14 OBSOLESCENCE

14.1 Renovation of a Building. If at any time the Owners of 80% or more of the total Interests in General Common Elements appurtenant to Units in any Building and 80% or more of all First Lienors of such Units shall agree that the Building has become obsolete and shall approve a plan for its renovation or restoration, the Association (as attorney-in-fact for such Owners) shall promptly cause such renovation or restoration to be made according to such plan. All Owners with interests in such Building shall be bound by the terms of such plan, and the costs of the work shall be an expense of the Owners of such Building only and shall be assessed and paid by such Owners in accordance with their relative Sharing Ratios. No Owner of a Condominium Unit in any other Building shall be required to pay any of the costs of such renovation or restoration on account of such ownership. Any increase in insurance costs to the Association as a result of renovation or restoration of a Building shall be borne solely by the Owners of the Units in such Building as a Limited Common Expense.

14.2 Renovation of Common Elements. (a) If at any time the Owners of 80% or more of the total Interests in General Common Elements and 80% or more of all First Lienors shall agree that any of the improvements constituting General Common Elements have become obsolete and shall approve a plan for their renovation or restoration, the Association (as attorney-in-fact for the Owners) shall promptly cause such renovation or restoration to be made according to such plan. All Owners shall be bound by the terms of such plan, and the costs of the work shall be a General Common Expense, to be assessed and paid as provided in Article 10.

(b) If at any time the Owners of 80% or more of the Interest in a Limited Common Element and 80% or more of all First Lienors of Condominium Units to which such

Limited Common Elements are appurtenant, shall agree that any of the improvements constituting such Limited Common Elements have become obsolete and shall approve a plan for their renovation and restoration, the Association (as attorney-in-fact for such Owners) shall promptly cause such renovation or restoration to be made according to such plan. Such Owners shall be assessed and shall pay the cost of the work as provided in Section 9.2(a).

14.3 Sale. If at any time the Owners of 80% or more of the total Interests in General Common Elements and 80% or more of all First Lienors shall agree that the Buildings have become obsolete and should be sold, the Association (as attorney-in-fact for the Owners) shall promptly record in the real estate records of the County a notice of such facts, and shall sell the entire Premises, free and clear of the provisions of this Declaration and the Map, which shall wholly terminate and expire upon the closing of such sale. The proceeds of such sale shall be collected, applied and divided among the Owners by the Association in the manner provided in Section 13.3.

## ARTICLE 15 CONDEMNATION

15.1 Total Taking. If the entire Premises shall be taken for any public or quasi-public use, under any statute, by right of eminent domain or by purchase in lieu thereof, or if all or any material part of all of the Buildings shall be so taken, or if any part of the Land shall be so taken and the part remaining shall be insufficient for purposes of the Project, as determined by the Association, the Association (as attorney-in-fact for the Owners) shall collect the award made in such taking and shall sell the part of the Land remaining after the taking, if any, free and clear of the provisions of this Declaration and the Map. Such provisions shall wholly terminate and expire upon the recording of a notice by the Association setting forth all of such facts. The award and the proceeds of such sale, if any, shall be collected, applied and divided among the Owners by the Association in the manner provided in Section 13.3.

15.2 Total Taking of a Building or Buildings. (a) If all of any material part of one or more, but fewer than all, of the Buildings shall be taken, but the remaining part of the Premises shall be sufficient for the purposes of the Project with respect to the remaining Buildings, as determined by the Association, the Association (as attorney-in-fact for such Owners) shall collect the award made in such taking and shall sell the part of the Land underlying the Building[s] taken free and clear of the provisions of this Declaration and the Map, which shall wholly terminate and expire with respect to such portion of the Premises upon the closing of such sale. If necessary, as shall be determined by the Association, such sale shall include a grant from the Association or reservation to the Association, as appropriate, of reasonable easements for ingress, egress and utilities. The award and the proceeds of such sale, if any, shall be collected, applied and divided by the Association among the Owners of Condominium Units in the Buildings taken in the manner provided in Section 13.3. Any sale of any portion of the Land (and any Building or Buildings thereon) shall only be made after compliance with all applicable subdivision and other laws and regulations applicable to such sale, which compliance shall be at the sole cost of the Owners of Units in the Building or Buildings located on such Land being sold.

(b) This Declaration and any Map, however, shall remain in full force and effect with respect to the balance of the Premises and the percentage Interests in General Common Elements appurtenant to all Units remaining subject to this Declaration shall automatically be increased by the amount of the Interests in General Common Elements appurtenant to all Units in the Buildings sold free and clear of this Declaration, such increase to be allocated proportionately among the remaining Units in accordance with their relative Interests in General Common Elements.

15.3 Partial Taking. Subject to the provisions of Section 38-33.3-107 of the Act, if there shall be a partial taking only, if no material part of any Building shall be taken, and if the remaining part of the Premises shall be sufficient for the purposes of the Project, as determined by the Association, the Association (as attorney-in-fact for such Owners) shall collect the award and shall promptly and without delay cause the balance of the Premises not so taken to be restored as nearly as possible to its condition prior to the taking, applying the award to that purpose. Any part of the award not required for such restoration shall be divided by the Association and distributed among the Owners in accordance to their Sharing Ratios.

## ARTICLE 16 QUALITY OF WORK

Any repairs, renovation or restoration of the Land or any Building by the Association (as attorney-in-fact for such Owners) shall be done in such manner as to make the Land or the Building after such work is completed as close in value as it was immediately before the occurrence requiring the work to be done as is reasonably possible. Furthermore all such repairs, renovation or restoration shall be done in compliance with all applicable laws, rules and regulations, including the rules and regulations of the Association.

## ARTICLE 17 AMENDMENT OR REVOCATION

This Declaration may be amended (a) by Declarant at any time prior to the filing of the Map or thereafter as provided in Section 22.5, (b) upon the written approval in recordable form of the Owners of 80% or more of the total Interests in General Common Elements and 67% or more of all First Lienors, except that the provisions of Article 22 with respect to rights of Declarant may only be amended with Declarant's consent and Section 3.1 relating to Interests in the General Common Elements may be amended only upon approval of the Owners of 100% of the Interests in General Common Elements and all First Lienors in the applicable Condominium Units, and (c) otherwise as specifically provided in the Act. Any lien that is subordinate to this Declaration shall also be automatically subordinated to any amendment to this Declaration approved or adopted in accordance with the provisions of this Article 17. This Declaration may be revoked by Declarant at any time prior to the filing of the Map, and thereafter this Declaration shall be revoked only upon sale of all or part of the Premises pursuant to Sections 13.3, 14.3, 15.1 or 15.2, or upon the unanimous written approval in recordable form of 80% or more of all Owners

and 80% or more of all First Lienors in accordance with the provisions of Section 38-33.3-218 of the Act. Notwithstanding anything herein to the contrary, a First Lienor shall be deemed to have given any requested consent or approval if such First Lienor fails to respond to any written request within thirty (30) days after delivery of such request by certified or registered mail, return receipt requested.

## ARTICLE 18 PROPERTY FOR COMMON USE

Subject to any restrictions set forth in the Act, the Association may acquire and hold for the use and benefit of all the Owners, real or personal (tangible and intangible) property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be owned by the Owners in the same proportion as their respective Interest in General Common Elements and shall not be transferable except with a transfer of a Condominium Unit. A transfer of a Condominium Unit shall transfer to the transferee ownership of the transferor's beneficial interest in such property without any reference thereto. Each Owner may use such property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners.

## ARTICLE 19 REGISTRATION BY OWNER OF MAILING ADDRESS; NOTICES

19.1 Registration. Each Owner shall register his mailing address with the Association promptly after his purchase of a Condominium Unit; and shall register any change in his mailing address with the Association promptly after such change.

19.2 Notice of Transfer. If any Owner, other than Declarant, sells, leases or otherwise transfers an interest in his Condominium Unit, such Owner shall deliver to the Association within five days after completion of the sale, lease or other transfer a written notice stating the full name of the new owner, tenant or transferee, the number of the Condominium Unit transferred, the forwarding address of such Owner and the mailing address of the new owner, tenant or transferee (if different from the subject Unit); and, if the transfer was a lease transaction, such Owner shall also deliver to the Association a copy of the lease.

19.3 Delivery of Notice. Any bill, statement, notice, demand or communication intended to be served upon an Owner shall be in writing and shall be deemed sufficiently given if delivered personally or sent by United States mail, postage prepaid, and except for monthly statements and other routine notices, sent by registered or certified mail, addressed in the name of the Owner at his mailing address as registered with the Association. All notices, demands or other communication intended to be served upon the Association shall be in writing and shall be deemed sufficiently given if delivered personally to an officer of the Association or sent by certified or registered United States mail, postage prepaid, to the address of the Association as designated in the Bylaws.

**ARTICLE 20**  
**DURATION OF CONDOMINIUM OWNERSHIP**

The separate estates created by this Declaration and the Map shall continue until this Declaration shall be revoked or until its provisions shall terminate with respect to all or any portion of the Project as provided herein.

**ARTICLE 21**  
**ARCHITECTURAL CONTROL**

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Land, nor shall any exterior addition to or change or alteration in any Building or other existing improvement on the Land be made until the plans and specification showing the nature, kind, shape, height, color, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors, or by an architectural committee composed of three or more representatives appointed by the Board (which shall serve at the pleasure of the Board). In the event the Board, or its designated committee, fails to approve or disapprove such design and location within 30 days after such plans and specifications have been submitted to it, approval shall be deemed given.

**ARTICLE 22**  
**SPECIAL DECLARANT RIGHTS, DEVELOPMENT**  
**RIGHTS AND GENERAL RESERVATIONS**

22.1 Easements, Reservation, Etc. Declarant reserves (a) for the Period of Special Rights, the right to dedicate any access roads and streets serving this Project for and to public use; to establish easements, reservations and exceptions consistent with the condominium ownership of the Project and for the best interests of the Owners and the Association, which easements, reservations and exceptions shall be in addition to those set forth on Attachment C hereto, and (b) for the Period of Special Rights, an easement over unimproved parts of the General Common Elements, to the extent necessary for construction of additional improvements, which may include recreational facilities that will become General Common Elements. The operating expenses of such improvements will be General Common Expenses. Declarant, however, has no obligations to construct additional improvements.

22.2 Right to Maintain Sales Offices and Models. Declarant also reserves the right to maintain sales offices, management offices and models, and to maintain one or more advertising signs, as Declarant deems appropriate, during the period Declarant is actively engaged in selling the Condominium Units. Declarant reserves the right to place such sales offices, management offices and models in any Unit owned by Declarant and on any portion of the General Common Elements, in such number, of such size and in such locations as Declarant deems appropriate.

Declarant reserves the right to place such advertising signs on any unimproved part of the General Common Elements, in such number, of such size and in such locations as Declarant deems appropriate.

22.3 Relocation of Sales Offices and Models. Declarant may from time to time relocate models, management offices and sales offices to different locations within the Project. Upon the relocation of a model, management office or sales office that was placed on a portion of the General Common Elements, Declarant may remove all personal property and fixtures therefrom. Any fixtures not so removed shall thereafter be deemed General Common Elements, and any personal property not so removed shall be deemed the property of the Association.

22.4 Parking Spaces. So long as Declarant shall be selling Units in the Project, Declarant shall have the right to restrict the use of the General Common Elements parking spaces marked on the Map as "Parking Spaces Which Declarant May Use For Sales Purposes." Such use shall include reserving such spaces for use by prospective Unit purchasers, Declarant's employees and others engaged in sales, maintenance, construction or management activities.

To the extent applicable, necessary, or proper, the provisions of this Article 23 apply to this Declaration and to the Articles and Bylaws of the Association.

23.1 Notices of Action. Each such person shall be entitled to timely written notice of:

(a) any material condemnation loss or casualty loss which affects a material portion of the Project or any Unit in which there is a first mortgage held, insured, or guaranteed by such person;

(b) any delinquency in the payment of the General or Limited Common Expense owed by an Owner whose Unit is subject to a first Mortgage held, insured or guaranteed by such person, or any default by such Owner in any obligation under the Declaration, Articles or Bylaws if and when the Board of Directors has actual knowledge of such default, and such delinquency or default remains uncured after sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association; and

Should the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation subsequently delete any of their respective requirements which necessitate the provisions of this Section or make any such requirements less stringent, the Board of Directors, without approval of the Owners or First Lienors, may cause an amendment to this Section to be recorded to reflect such changes.

23.3 Implied Approval. Implied approval by a First Lienor shall be assumed when a First Lienor fails to submit a response to any written proposal for an amendment within thirty (30) days after such First Lienor receives proper notice of the proposal, provided this notice was delivered by certified or registered mail with return receipt requested.

23.4 Books and Records. Owners and First Lienors shall have the right to examine the books and records of the Association at the office of the Association in accordance with the procedure set forth in the Association's Bylaws.

23.5 HUD/VA Approval.
